TERMS OF SUBSCRIPTION
One Year \$1.00
Six Months 50c

Monday April 5, is school elec-
tion day in the rural districts and
Tuesday in the cities.

The New Mexico legislature
will adjourn Friday after
completing its 60 day term.

Besides coming in handy for
making fires and carpeting the
bird cage, the mail order cata-
logues are useful for other pur-
poses.

Homes would be brighter if
there was more singing and less
complaining, more sunshine and
sympathy and less selfishness
and criticism.

Some Clovis people we know
should cut this out and paste it
in their hat for every day refer-
ence.

The new Register of the Fort
Sumner Land Office, Arthur J.
Evans, who has been confirmed,
is expected to assume the duties
of his office on April 1. He suc-
ceeds C. C. Henry, whose resig-
nation has been in the hands of
the department for some time.

The mail order houses are tak-
ing thousands of dollars out of
the country each year and it
never comes back. The home
merchant builds your schools,
churches, roads and other neces-
sary improvements. The mail
order house donates nothing and
gets your cash before the trans-
action is made.

Snow, snow, snow. The
springtime has not come,
neither have the robins. It
snowed some all the last week,
the weather has been about as
cool as at any time this winter.
The moisture coming at this
season of the year is great for
the wheat crop.

Receiver Reymundo Harrison,
of the Fort Sumner Land Office,
has qualified and is now doing
business according to a notice
sent Land Commissioner Curren
from that office recently. All
filings, proofs, contests, etc.
have been held in abeyance with-
out action by that office since
early last fall and the accumula-
tion of work is therefore volu-
minous.

All the towns along the line
are being infested by transient
bums en route to California and
beggars and grafters of every
description work the town regu-
larly. The most common of the
latter are the directory or ad-
vertising scheme grafters. Santa
Fe officer Tom Davenport re-
ports having rounded up twenty-
five in one crowd recently. He
also arrested a Mexican armed
with a six shooter, razor and
four pocket knives.

What for a time threatened to
result in legal proceedings was
averted this week, when the
difficulty between the Antlers
management and the city over
the settlement of the water and
light bill was adjusted and the
service which was stopped by
the city last Thursday was again
restored Wednesday by the pay-
ment of the account during the
management of Mrs. Smith.
Mrs. J. D. Lyons, the owner will
take charge of the hotel on the
15th. After that date Mrs.
Smith will leave for El Paso to
join her husband.

Deputy Bob Thomas and a
son of Sheriff Moye returned
from Las Vegas Thursday
where they went in company
with City Marshall Chas. Irvine
to take E. M. Draper and
Hodge Moore to the asylum.
The latter became violent while
en route and it was about all
the three could do to handle
him. He kicked out two win-
dows from the coach, between
Belen and Las Vegas. They al-
so brought back a negro named
"Al" who had escaped from
the county jail and who had
yet thirty days to serve. He
was captured at Belen.

From the Roswell News.

Superintendent F. J. Evans,
of Clovis, came down this af-
ternoon to see how things are
moving in this end of the val-
ley. He reports that the new
train service is getting on
nicely. The Missionary came in
this morning with eleven coach-
es, and a day or two ago it
was run in two sections. The
through line to Galveston is
gaining in favor, especially the
Pullman service without change
to New Orleans.

A series of live stock meet-
ings will be held in the valley
next week. The first meeting
will be at Loving on the 15th.
at Carlsbad on the 16th, Lake-
wood on the 17th, at Artesia on
the 18th, winding up at Clovis
on the 25th. The agricultural
department of the Santa Fe rail-
way and the State college will
co-operate in conducting these
meetings.

Do You Know

Why the "red dress" created
so much sensation at the party
Thursday night?

Why a certain guy goes to
church so often?

When the man on the "Water
Wagon" will again resume his
official duties?

When it will snow again?
Who has a longing for "Dear
Ole Miss?"

Wonder why it is that John
keeps his baby carriage stand-
ing out in the back yard.
